Bank Veto Message

President Andrew Jackson · July 10, 1832

Henry Clay tried to make the Second Bank of the United States an issue in the 1832 election by pushing an early recharter through Congress. Jackson — who saw the Bank as a corrupt tool of eastern elites — vetoed the bill and explained his reasoning in a fiery message aimed less at Congress than at ordinary voters. The Bank War defined Jacksonian Democracy and reshaped the American party system.

Connect: Jackson's fight with the Bank echoes Jefferson's opposition to Hamilton's Bank from Class 6. What's the same? What's different?

Key Passages

On equal protection of the laws

> It is to be regretted that the rich and powerful too often bend the acts of government to their selfish purposes. … When the laws undertake to add to these natural and just advantages artificial distinctions, to grant titles, gratuities, and exclusive privileges, to make the rich richer and the potent more powerful, the humble members of society … have a right to complain of the injustice of their Government.

On monopoly

> If we can not at once, in justice to interests vested under improvident legislation, make our Government what it ought to be, we can at least take a stand against all new grants of monopolies and exclusive privileges.

On foreign stockholders

> Should its influence become concentered, as it may under the operation of such an act as this, in the hands of a self-elected directory whose interests are identified with those of the foreign stockholders, will there not be cause to tremble for the purity of our elections in peace and for the independence of our country in war?
