ERA 21

# A Nation in Turmoil

*1960 – 1975*

The counterculture · feminism · the rights revolution · the environment

**ESSENTIAL QUESTION**

How did the spirit of protest in the 1960s expand the struggle for rights and change American culture?

**KEY TERMS**

The counterculture · women's liberation · the Chicano Movement · AIM · Stonewall · the environmental movement

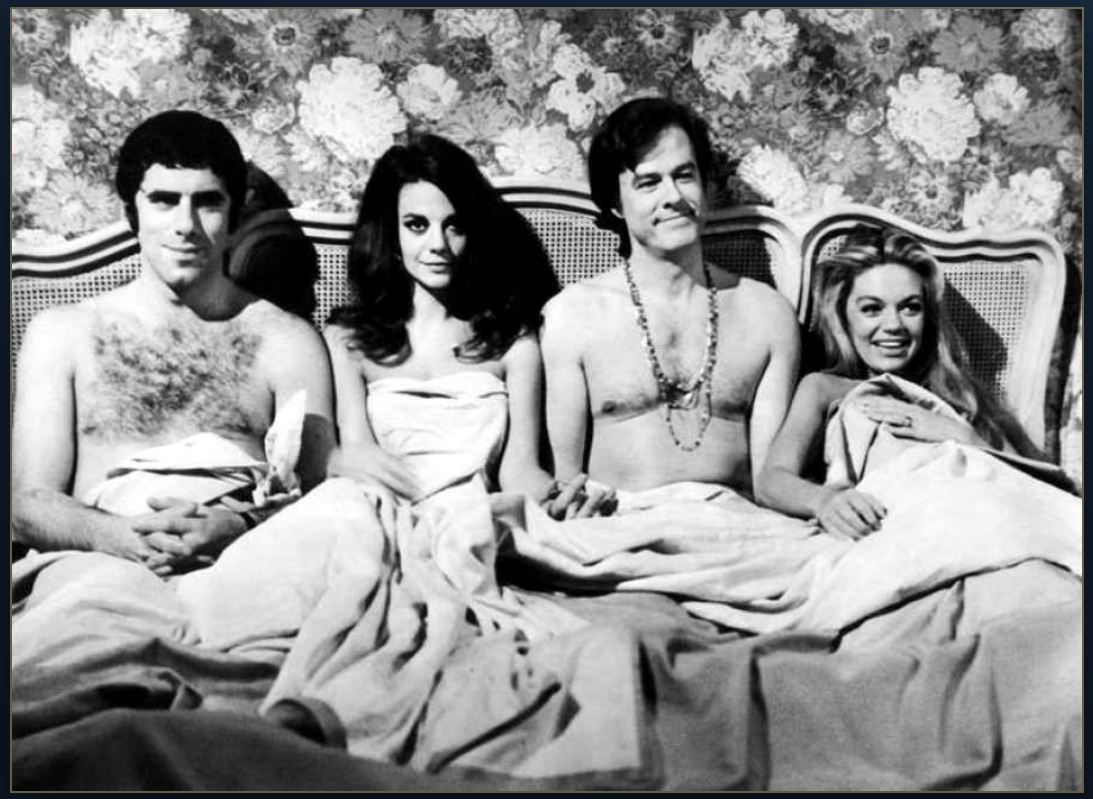

**ALIGNED TO**

CED Topic 8.11–8.13 · AMSCO Ch. 8.11–8.13

A RISING GENERATION DEMANDS CHANGE

# The Age of Protest

# The Counterculture

- A youth **counterculture** rejected the conformity of their parents.
- **Hippies** embraced peace, rock music, communal living, and the **sexual revolution**.
- The **New Left** and events like Woodstock (1969) defined the era.

# The Women's Movement

- **Betty Friedan's *The Feminine Mystique*** sparked a new **women's liberation** movement.
- **NOW** fought for equality; the **Equal Rights Amendment** and **Title IX** followed.
- In **Roe v. Wade** (1973), the Court recognized a constitutional right to privacy.

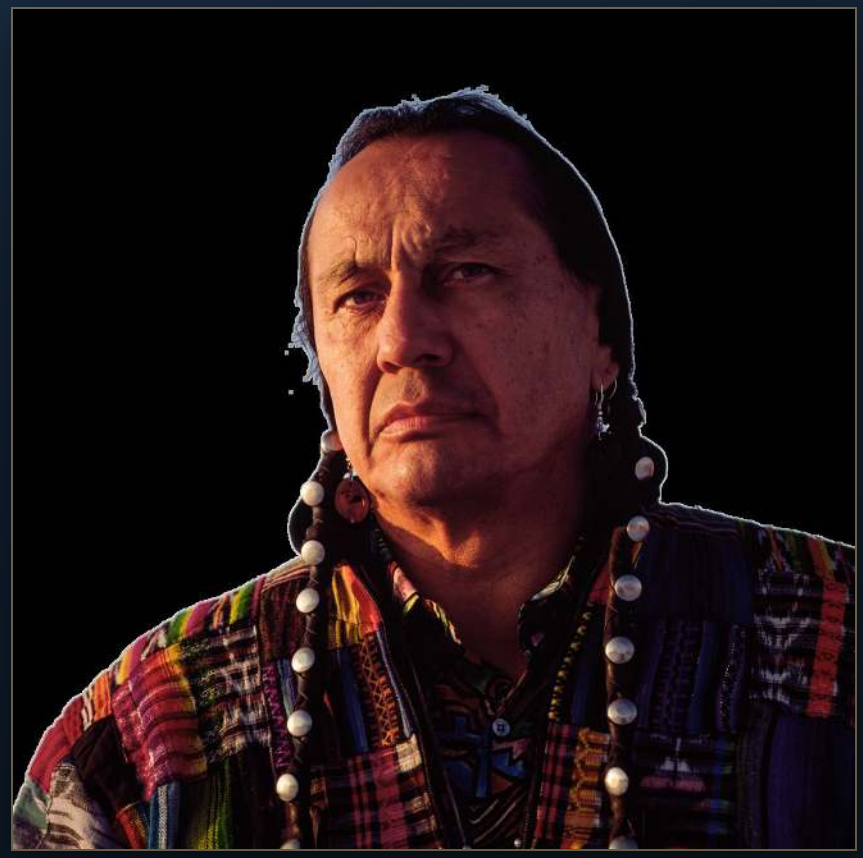

# The Chicano Movement

- Mexican Americans organized for rights, recognition, and fair treatment.
- **Cesar Chavez** led the **United Farm Workers** in strikes and grape boycotts.
- The **Chicano Movement** built pride and political power.

# The American Indian Movement

- Native activists founded the **American Indian Movement** (**AIM**).
- Led by figures like **Russell Means**, they occupied Alcatraz and **Wounded Knee**.
- They demanded treaty rights, sovereignty, and 'Red Power.'

# The Gay Rights Movement

- In 1969, patrons fought back against a police raid at the **Stonewall** Inn.
- The uprising launched the modern **gay liberation** movement.
- Activists demanded dignity, equality, and an end to discrimination.

# The Environmental Movement

- **Rachel Carson's *Silent Spring*** (1962) exposed the dangers of pesticides.
- The first **Earth Day** (1970) drew millions of Americans.
- The new **EPA** and the Clean Air and Water Acts protected the environment.

KEY TAKEAWAYS

# A Nation in Turmoil

1. A youth **counterculture** and the **New Left** challenged mainstream values and the Vietnam War.
2. The **civil rights model** inspired new movements—**women's liberation**, the **Chicano Movement**, **AIM**, and **gay rights**.
3. The **environmental movement**—from **Silent Spring** to **Earth Day**—launched a lasting green awakening.

DISCUSS & APPLY

# A Nation in Turmoil
